Hereby, WatchGuard Technologies Inc. declares that the radio equipment type AP430CR Wireless Access Point is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at: <https://www.watchguard.com/wgrd-help/documentation/hardware-guides>

This device has software that cannot affect compliance with the Radio Equipment Directive (RED) 2014/53/EU, even if the software is changed or replaced.

This device is restricted to indoor use when operating in the 5150 to 5350 MHz frequency range in the indicated countries.

Radio Frequencies	Max Power
2412 - 2472 MHz	19.99 dBm
5500 - 5700 MHz	29.89 dBm

NOTICES: Avis Hinweiss Avisos お知らせ

All WatchGuard products are designed and tested to meet strict safety requirements. These requirements include product safety approvals and other global compliance standards. Please read these instructions carefully before operating the product, and refer to them as needed to ensure the continued safe operation of your product. Additional information about the hardware, including additional languages, a full list of safety approvals, global compliance standards, and certifications can be found in the Hardware Guide for this device located on the WatchGuard website:

<https://www.watchguard.com/wgrd-help/documentation/hardware-guides>

- Do not place objects on the power cord.
- Do not obstruct the ventilation openings. These openings prevent overheating of the machine.
- Never push objects of any kind into slots or openings on this equipment. Making a contact with a voltage point or shorting out a part may result in fire or electrical shock.
- When removing or installing an appliance, follow the general installation safety instructions.

If protective earthing is used as a safeguard, the instructions shall require connection of the equipment protective earthing conductor to the installation protective earthing conductor (for example, by means of a power cord connected to a socket-outlet with earthing connection). To meet safety and electromagnetic interference (EMI) requirements, you must make sure the power source is connected to earth ground before you connect power to the device.

Connect the PoE interface only to PoE networks, without routing to the outside plant.

This product is intended to be supplied by a Listed Power Adapter or DC power source marked "L.P.S." (or Limited Power Source or PS2) rated 54V DC, 1A minimum, maximum ambient temperature (Tma)=40°C, or supplied by a Listed PoE Adapter marked "L.P.S." (or Limited Power Source or PS2) rated 54VDC, 0.6A minimum, maximum ambient temperature (Tma)=40°C. For more information regarding approved power sources, see the Hardware Guide for this device.

To protect your outdoor AP from electrical events, we recommend you ground the AP with the included ground wire based on your local regulations.

Um Ihren AP im Außenbereich vor elektrischen Problemen zu schützen, empfehlen wir, den AP gemäß den lokalen Vorschriften mit dem bereitgestellten Erdungskabel zu erden.

Para proteger su PA exterior de eventos eléctricos, recomendamos que lo conecte a tierra con el cable de conexión a tierra incluido, según sus regulaciones locales.

A fim de proteger seu AP para ambientes externos contra eventos elétricos, recomendamos aterrá-lo com o fio de aterramento incluído conforme a regulamentação local.

Per proteggere l'AP da fenomeni elettrici, si raccomanda di collegarlo a terra con l'apposito cavo incluso nella confezione ai sensi delle normative locali.

Pour protéger votre point d'accès extérieur des événements électriques, nous vous recommandons de le raccorder à la terre à l'aide du câble de terre fourni, conformément aux réglementations locales.

為了保護室外 AP 不受電氣事件影響，建議您根據當地法規使用內含的接地線對 AP 進行接地。 야외 AP를 전기 사고 발생 위험으로부터 보호하려면 지역별 규정에 따라 AP를 동봉된 접지 와이어로 접지하는 것이 좋습니다.

屋外用 AP を落雷や感電などの事故から守るために、地元の規制に従って、付属の接地線を使用して AP の接地を行うことをお勧めします。

为了保护您的户外 AP 免受电气活动的影响，我们建议您根据当地的法规，使用随附的地线将 AP 接地。

Declaration of Conformity	
WatchGuard Technologies, Inc. 255 S. King St., Suite 1100 Seattle, WA 98104 USA	
WatchGuard Technologies Inc. hereby declares that the product(s) listed below conform to the European Union directives and standards identified in this declaration.	
Product(s): 802.11a/b/g/n/ac Access Point, AP430CR
